

Organic Green Haat and Exhibition Stalls

The “**Organic Green Haat**” is one of the highlights of the CMS VATAVARAN Festival. Over the years it has grown in strength and has helped to raise awareness about Green and Organic products of the country among the urban population and helping them to rediscover the “connect” with nature. This linkage is crucial from the standpoint of contribution in improving biodiversity based livelihoods and promoting social entrepreneurship.

The **CMS VATAVARAN Organic Green Haat 2013** will augment ones shopping experience by offering one the range of value added traditional/ forest based products such as medicinal/ herbal plants, crafts, cosmetics etc. An exhibition cum sale of forest based products will be held at the festival venue. Rural artisans, community self help groups, civil societies’ and the state federations will get opportunity in the haat.

CMS VATAVARAN offers you the opportunity to book a space or exhibition stall in four different ranges in the haat. As the festival is attended by large number of Indian and international delegates, it will benefit your organisation to showcase your technology, products and services among a diverse audience.

Exhibition Stall	Platinum Space	Gold Space	Silver Space	Bronze Space	Copper Space
