

Bee Movie

Bee Movie is a comedy that will change everything we think we know about bees. Having just graduated from college, a bee by the name of Barry B Benson (Jerry Seinfeld) finds himself disillusioned with the prospect of having only one career choice—honey. As he ventures outside of the hive for the first time, he breaks one of the cardinal rules of the bee world and talks to a human, a New York City florist named Vanessa (Renee Zellweger).

He is shocked to discover that the humans have been stealing and eating the bee's honey for centuries. He ultimately realises that his true calling in life is to set the world right by suing the human race. It is up to Barry to prove that even a little bee can spell big changes in the world. The film has been directed by Steve Hickner and Simon J Smith and stars Jerry Seinfeld, Renee Zellweger and Mathew Broderick.

Mr Popper's Penguins

Jim Carrey is Mr Popper, in a family comedy about a driven businessman who is clueless when it comes to the important things in life—until he inherits six penguins. While Popper's penguins turn his swanky New York apartment into a snowy winter wonderland and the rest of his life upside down they teach him valuable lessons about families... human or otherwise. It is not long before Mr Popper finds himself surrounded by a

litter of penguins. He comes up with the ingenuous idea of training them to perform in a traveling show dubbed Popper's Performing Penguins. *Mr Popper's Penguins* is a contemporary update of the award-winning 1938 book, by Richard and Florence Atwater. While in the book, Mr Popper is a house painter, in the film he becomes a business developer. The film is directed by Mark Waters and stars Jim Carrey, Angela Lansbury and Carla Gugino.
